

Airline History Museum

Kansas City, Missouri

Dear Client (or potential),

Thank you for taking the time to see what we have to offer here at our very unique venue. We know we're not "for" everyone but those who choose us we will do our best to help make your special event even more so. While we do not have a staff for set-up, etc. we do everything we can to assist you and/or your vendors. We are available for questions, etc. from day one through your event.

In order to add a new dimension to our service we are now offering a Preferred Vendor recommendation. As stated in our policies, you are free to use any vendors (properly licensed) you choose for your events, this is simply our recommendation.

Brancato was chosen for the following reasons

- Only Kansas City area company to offer the *full range* of event production services from chairs, to tents, to food and drinks to event planners
- AHM personal experience in working with Brancato during numerous events produced here
- Our clients' experiences using Brancato
- Confidence in knowing you will be treated well and have almost unlimited options
- Competitive pricing
- Top quality items including alternate warming devices for food that don't limit the placement (devices that use sterno/open flames are restricted to one area in our hangar)

If you are interested we do have brochures, etc. We hope you will find this option one more way for us to demonstrate our desire for your event to be the best!
